

CHRISTMAS AT THE CROWN & ANCHOR

Welcome to our Christmas newsletter. This year we have some delicious, no nonsense menus, all at sensible prices, to help you celebrate the festive season in style.

This leaflet also outlines all of the other events happening in the Crown and Anchor including music, quizzes and of course our ever popular Christmas draw. As always all events are complimented by our high quality drinks selection including our award winning cask ales, continental lager and fabulous wine list.

We are now taking bookings for all Christmas events. As always, pre ordering is essential to ensure speedy service, and a small deposit will secure any booking. Tailor made menus also available if required.

Finally, to all of our customers, we would like to extend season's greetings, and thank you all for your continued support.
