**All real ales served by hand pump from our cellar.  
Up to 27 draught products at once!**

The fifth Sowerby Beer Festival is our most exciting yet! With loads of beers, two great musical acts and some delicious barbeque food.

We've got a huge range of beers with many different styles. There are dark and meaty stouts along with light golden ales with tons of fruity and hoppy aromas. We have fruit beers, a hand-pulled lager and for the first time cider and lager are also available from the garden bar. Don't be afraid to ask for a sample – you will be amazed at the range of flavours that good, fresh real ale can provide. Tasting notes are on the inside pages of this newsletter.

Next to the outside bar you will find the barbeque, which will serve a range of freshly prepared food, ranging from burgers and chicken to a massive T-bone steak. The menus are shown on the blackboards / posters outside and throughout the pub. Food will be served on the Friday from 6pm to 9pm, on the Saturday 12 noon to 2pm & 6pm to 9pm and on the Sunday 12 noon to 4pm.

As usual we will have music on both Friday and Saturday nights both starting at 9pm. On the Friday we will be featuring 'Two Faced', a fantastic local acoustic duo which play a range a classic songs from the past 30 years. On the Saturday we have 'Bootleg Buddy' where amazing vocals and outstanding guitar work will transport you back to another era. It's going to be a great weekend – see you there!
