

The American Food & Drink Festival

**@ Crown & Anchor Sowerby
18th, 19th & 20th November 2011**

American craft brews are very much the **NEXT BIG THING** on the worldwide brewing scene and so to mark **THANKSGIVING** this year we are holding our first ever **AMERICAN FOOD & DRINK FESTIVAL**.

American beers are very much based on UK recipes, but also influenced by European styles – it's the true melting pot of beer. The breweries of the USA therefore produce a huge variety of brews, and we are pleased to offer a selection, all imported directly from San Francisco.

To kick off this event we will be having a wine night on Thursday 17th November from 8pm – more details overleaf. Please note we are not serving food on this night.

To compliment the wine and beer we will have a special food offering Friday through to Sunday – not just the humble burger, but ribs, clam chowder and Mississippi Mud Pie to name but a few.

The culmination will be our Sunday Gospel Lunch – showcasing the best of the South, with the rich sound of Gospel in the air.

Please note that booking is highly recommended for food all weekend.

**DRAUGHT BEERS AVAILABLE
